A Picnic Lunch will be Served (free will offering accepted)

Come for Sharing, Laughing and Reminiscing about your school days at TLCS.

Trinity Early Learning Center, TELC

Trinity Early Learning Center is a vital part of our education program at Trinity Lutheran Church. These classrooms serve the youngest of God's children; 6 weeks old in the Infant Class through 5 years-old in Jr Kindergarten. Extended Care and Day Camps offer care for TLCS students through 12 years-old after school and on non-school days.

In April we welcomed our new Director, Jessica Ferguson. She brings 13 years of ECE experience, the past eight years as lead teacher in TELC's One & Two year-old classroom. A wonderful leader for our school!

TELC will introduce a new curriculum this fall at each level, for academic and religious instruction. And, our program meets all of the Oregon State guidelines for ECE education.

Now, the students are in summer camps, having fun working in their garden. Know someone looking for care for young children? If so, tell them about TELC! Space is often limited, but we have availability in the Infant and the Three & Four year-old rooms for 2026/27.

Trinity Lutheran Christian School, TLCS

The 2025/26 year saw academic and spiritual growth for our students. They participated in music class, choirs, handbells, band, sports teams, art projects, library, presentations at weekly chapels, to families and friends; singing the *National Anthem* at a Trail Blazers Rip City Remix game. Students still go to L.E.S.T., now in Tacoma, WA, a highlight in the upper grades and fond memory for Alums.

We are pleased to introduce Pastor Martin Schultheis as our Senior Pastor. He joins Pastor Ruberto Ek Yah. Both serve the spiritual needs of the congregation, all of our students and their families.

Still an
Egg Drop!

Tell family and friends about TLCS and to consider it for their elementary school students. It can be quite a challenge to find a school that offers a safe and academically appropriate experience for children. And where daily, Christ's love is shared. There are openings in classrooms, Kindergarten through Grade 8. Take a look at our activities on social media sites.

Trinity Early Learning Center (children aged 6 weeks through 5 years) and **Trinity Lutheran Christian School** (Kindergarten through Grade 8) are accepting student applications for the 2026/27 academic year.

Information for enrollment is available on websites <https://telcportland.org> and <https://trinityportland.org>
